What's going on around campus:

We were thrilled by the incredible turnout at Back-to-School Night! A huge thank-you to our OUSD facilities and maintenance teams for making our campus shine — it truly set a welcoming tone for the evening. Our teachers created inviting, well-prepared classrooms, complete with clear rules and expectations to set students up for success this year. Most of all, thank you to the many families who joined us. Your partnership is at the heart of our mission to help every Honeybee thrive academically, socially, and emotionally.

What's new:

Our two brand-new playgrounds are complete and ready for play! We're also seeing great progress on our new TK classrooms — we can't wait to welcome students into these exciting new spaces.

Upcoming events:

Mill Street Parent Club Meeting on August 27th from 6-7pm

Family BBQ and Soccer Night on September 11th from 5pm to 6:30pm

What we are doing to meet our LCAP goals:

Academic Growth: Using state-adopted curricula, regular assessments, and PLCs to guide instruction.

Safe, Supportive Environment: PBIS, daily SEL time, and ongoing staff training in social-emotional learning.

Family Engagement: Parent Club, SSC, ELAC, and school events like Back-to-School Night and Family BBQ.

State Priorities: Safe facilities, protected instructional minutes, and enrichment in art, science, tech, and PE.

Attendance & Readiness: Early attendance interventions and high expectations for college/career readiness.
